

SISTON

PARISH COUNCIL

NOTICE OF A PUBLIC MEETING

Siston Parish Residents are invited to attend a drop-in session to give their feedback on the South Gloucestershire Council – Local Plan – Phase 3 – Emerging Strategy.

Date: Monday 8th January 2024

Time 5.30pm to 7pm

Place: Warmley Community Centre – Penny/Vowles Room

Residents are invited to speak with Parish Councillors one to one and provide your valued feedback on the plans – in an interactive session.

Your feedback is important and significant, as the plan proposes:

- A significant loss of green belt in Warmley and Shortwood.
- Extensive increase in the number of homes
- The addition of park and rides and a primary school
- Impacts local employment.
- Impacts the local infrastructure.

Your feedback will inform the Parish Council's response to South Gloucestershire Council.

At 7.30pm an extraordinary meeting of the Parish Council will commence. Please see the published agenda. Parishioners will have the opportunity to address the Council.

Written feedback can also be submitted via the parish clerk at sistonpc@gmail.com or via the post c/o 105 Poplar Road, Warmley, Bristol, BS30 5JS.
